Title of the event: Relay Coding			
Coordinator: Prof. Trupesh Patel			
Venue:	**D-405 Lab 4**	**Date:**	13th and 14th Feb, 2018

Abstract:

The members get 5 minutes to discuss the question before the relay starts. Teammates will be given the chance to work on the code in an alternate manner, i.e. each team member gets a fixed maximum duration (15 minutes) to work on the code to solve the given problem.

Eligibility criteria: B.E. Pursuing

Event Rules:

4 persons per group round ,1st person will code in blank screen(off screen) for max 15 minutes and leaves 2nd person will continue same code on (Screen is on) without compiling, 3rd person will try to solve the error and get the output. 4th person will try to login by using that output.

No. of Participants: 46

No. of Rounds : 2 rounds

Time Duration : 15 minutes
