Title of the event: Puppet Theatre			
Coordinator: Prof. Murti Patel			
Venue:	B 113, B 114	Date:	9th and 10th Sept, 2019

Abstract:

Puppet Theatre is a variation of original dumb-charades where teams have to enact terminology from technical realm. In the first round, each team will be given a technical term with one person acting and others guessing the right term which they have to complete within 60 seconds. In the second round, teams will be given the names of companies, inventors, tag lines, etc. which they will have to enact and guess without speaking within 90 seconds. In the third round, One participant must draw and others must guess the drawing in allotted time. The artist may not talk, make noises or gestures and absolutely no letters or numbers are allowed in the pictures.

Eligibility criteria:

1. Students of UG & PG.
2. Students from different educational institution can form a team

Event Rules:

- 1) A team can consist of maximum 4 participants and minimum 3 participants.
- 2) Lip movement is not allowed – only hand gestures for enactment.
- 3) No letters or objects to be indicated.
- 4) All the participating teams have to remain present on time of starting events, no more time will be provided to any team.
- 5) Top 3 team will be considered as the winner.
- 6) Judges decision will be considered as final decision.
