

**Aditya Silver Oak Institute of Technology  
Computer Engineering Department**

<b>Title of the event:</b> Seminar on Cyber Security			
<b>Coordinator:</b> Dr. Premal Patel			
<b>Venue:</b>	C V Raman Hall	<b>Date:</b>	20/3/2023

**Abstract:**

The Department of Computer Engineering conducted a seminar for semester 5th students on “Cyber Security” on 20 March 2023. The seminar aimed to address the growing concerns around cyber security and to educate individuals on how to protect themselves from cyber-attacks.

The event was organized by the Department of Computer Engineering of Aditya Silver Oak Institute of Technology, Silver Oak University.

Expert speakers shared their insights and knowledge on the latest trends and techniques in cyber security.

**Expert or Guest Profile (In Detail):**

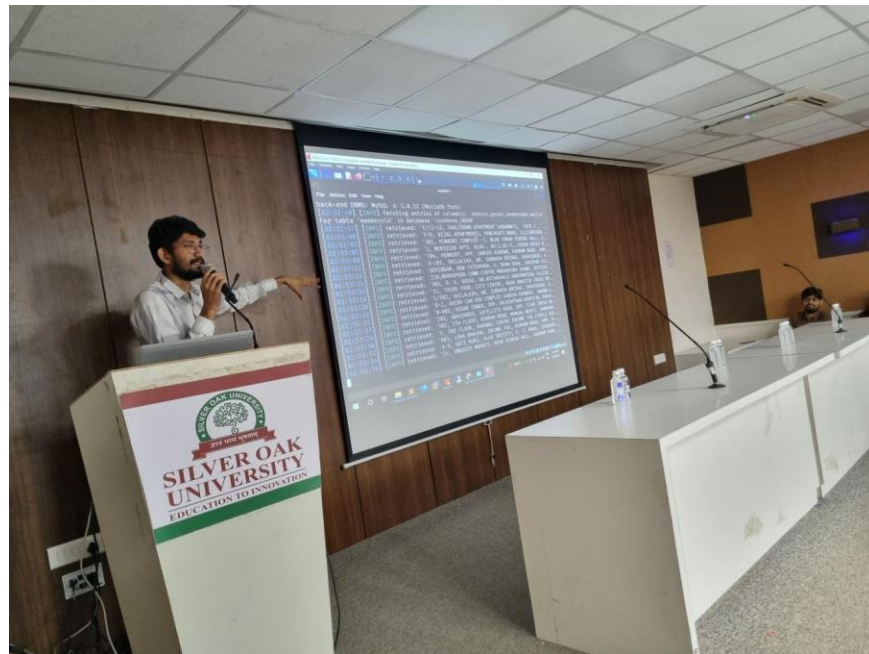

Mr. Smit Patel,  
Techmicra IT Solutions,Ahmedabad

**No. of Participants: 70**

**Impact of that event in terms of POs & PSOs:**

The highlight of the event was a live demonstration of a cyber-attack by a team of ethical hackers. The team demonstrated how easy it is to breach security systems and access sensitive information. The demonstration served as a wake-up call to the attendees, highlighting the importance of cyber security and the need to take preventive measures. PO1,PO4,PO5 were covered during the session.
