Computer Engineering Department**

Title of the event: Expert Lecture on PHP and Laravel			
Coordinator: Prof. Manish Singh			
Venue:	Newton Hall	Date:	7/4/2022 - 8/4/2022

Abstract:

In the dynamic landscape of web development, PHP remains a cornerstone language, while Laravel stands out as a powerful framework, revolutionizing how developers craft robust, scalable web applications. This expert lecture was arranged by ASOIT -Computer Engineering Department for 6th semester students to offer a comprehensive exploration of PHP fundamentals and delves deep into the functionalities and advantages of the Laravel framework.

Expert or Guest Profile (In Detail):

Mr. Dhaval Chudasama
Vedankrix,Ahmedabad

No. of Participants on day1: 45

No. of Participants on day2: 40

Impact of that event in terms of POs & PSOs:

This expert lecture was designed for the students who are keen to be future developers seeking to deepen their understanding of PHP and harness the full potential of the Laravel framework. By the lecturer's conclusion, participants possessed the knowledge and tools necessary to build sophisticated web applications efficiently, leveraging PHP and Laravel's robust capabilities. PO1,PO5,PO9,PSO2 were addressed.
