| Title of the event: Seminar on Study in Foreign | | | |
| Coordinator: Prof. Hardika Menghani | | | |
| Venue: | D-107 | Date: | 19/1/2023 |

Abstract:

ASOIT - Computer Engineering department arranged a fruitful session for students of semester 4th about foreign visa process for different countries like Canada, USA, UK, Germany etc. Explanation about advantages for applying study in foreign countries was also provided. Description for which countries they would prefer first for study. Along with the student's curriculum they can prepare for foreign study's exams topics are focused.

Expert or Guest Profile (In Detail):

Mr. Winners Parekh,
Techmicra,Ahmedabad

No. of Participants: 77

Impact of that event in terms of POs & PSOs:

Students get to know about foreign education and information about different universities and get direction about that.

Students were guided properly for foreign education process.

At last a doubt session was arranged where students' doubts were cleared. PO8,PO10 and PO12 were covered.

Photographs:

Student feedback:

.
“Got some new angles to think about foreign studies, Thank You Sir!!!”
“It was really helpful session”
