**Student feedback:** Students had opportunity to give their idea to save environment in form of poster presentation.

- **ADESHARA DHARM:-** It was a very well organized event by our institute.
- **LIMANI JEET: -** All the themes were very new and unique , participated students have done brilliant work.
- **MEHTA SHAISHAV:-** College provides us a very huge platform to show our creativity to others and all of them encourage us also.
- **PATEL JINCY:-** This was the best way to celebrate engineer's day and also help us to overcome stage fear
- **PANDEY TARUN:-** After hearing speech i believe more in power of engineering and we can save environment and convey a good message to our society.
