

Examination Cell

There is an Examination Cell constituted by the Principal. A senior faculty member heads the Examination Cell. The Examination Cell strives to improve the standard and confidence level of the students with a fair, disciplined, uniform and transparent examination system. The objective of the Cell is:

1. To implement the academic regulations & norms of the University and the Institute
2. To monitor the preparation of impartial and uniform quality-based question based on Bloom's Taxonomy of educational objectives for examination conduction
3. To maintain proper standards of the examination.
4. To conduct all the examinations inside the campus in a fair and disciplined manner in conformity with the University/Institute norms and guidelines.
5. To monitor the qualitative evaluation of the answer scripts and submission of the marks within stipulated time
6. To analyse and prepare the merit list after publication of each (class test and end semester) examination, forwarding the same to the academic audit committee and encouraging the meritorious students.
7. To meet all types of queries/ grievances related to academic progress.

The Examination Cell shall be responsible for the following

1. To appoint invigilators and such other personnel for different examinations.
2. To recommend for Disciplinary Action against invigilators and students
3. Conduction of Continuous Internal Examination/Projects/Practical's
4. Evaluation, Sending of marks and Result Analysis
5. Student Interface in regard to Registration, Grievance, Sponsored Scholarships, Discipline
6. Preparation of questions for internal examinations
7. Creation and up-gradation of Question Bank
